Frequently Asked Questions (FAQ)

Version 1.0

Account Management FAQs

Q1. How do I create an account?

A:

Visit the registration page and complete the signup process using your company information.

Q2. How do I update company information?

A:

Navigate to Account Settings and update the required company details.

Q3. How do I view account details?

A:

Go to Account Settings to view company information, subscription details, and account status.

Q4. How do I check account status?

A:

Account status is available in the Account Overview section.

Possible statuses include:

- Active
 - Trial
 - Suspended
 - Cancelled
-

Q5. How do I change account ownership?

A:

Only the current account owner can transfer ownership to another administrator.

Q6. What happens when an account is suspended?

A:

Users may lose access to certain services until the issue is resolved.

Q7. Can multiple administrators manage the same account?

A:

Yes. Multiple administrators can be assigned to an account.

Q8. How do I reactivate an account?

A:

Contact support or resolve any outstanding billing issues.

User Management FAQs

Q9. How do I add a user?

A:

Navigate to User Management and select Add User.

Q10. How do I remove a user?

A:

Select the user and click Remove User.

Q11. How do I edit a user role?

A:

Open User Management, select the user, and update their assigned role.

Q12. What user roles are available?

A:

Available roles include:

- Owner
 - Admin
 - Manager
 - Member
-

Q13. How many users can I add?

A:

The number of users depends on your available seat count.

Q14. Why can't I add another user?

A:

You may have reached the maximum number of purchased seats.

Q15. Can I temporarily disable a user?

A:

Yes. Users may be deactivated without being permanently removed.

Subscription FAQs

Q16. How do I change my subscription plan?

A:

Navigate to Billing → Subscription → Change Plan.

Q17. When does an upgrade take effect?

A:

Plan upgrades take effect immediately.

Q18. When does a downgrade take effect?

A:

Downgrades become active during the next billing cycle.

Q19. What subscription plans are available?

A:

Available plans include:

- Starter
 - Professional
 - Business
 - Enterprise
-

Q20. Can I switch from monthly to annual billing?

A:

Yes. Billing frequency can be modified from Subscription Settings.

Q21. Will my features change after upgrading?

A:

Yes. Additional features and limits may become available.

Billing FAQs

Q22. Where can I view invoices?

A:

Navigate to Billing → Invoices.

Q23. How do I download an invoice?

A:

Select the invoice and click Download.

Q24. Why was I charged this month?

A:

Charges are generated based on active subscriptions and seat usage.

Q25. What payment methods are supported?

A:

Supported methods include:

- Credit Cards
 - Debit Cards
 - ACH Transfers
 - Wire Transfers
-

Q26. Why did my payment fail?

A:

Common reasons include:

- Insufficient funds
 - Expired card
 - Bank restrictions
-

Q27. How do I update my payment method?

A:

Navigate to Billing Settings and add a new payment method.

Q28. What happens if I miss a payment?

A:

Your account may become restricted until payment is received.

Q29. How do I view billing history?

A:

Billing history is available under Billing Reports.

Q30. Can I receive invoices by email?

A:

Yes. Invoice email notifications can be enabled in settings.

Seat Management FAQs

Q31. What is a seat?

A:

A seat represents one active user within the platform.

Q32. How do I purchase additional seats?

A:

Navigate to Seat Management and select Add Seats.

Q33. Are additional seats billed immediately?

A:

Yes. Additional seats are billed on a prorated basis.

Q34. Can unused seats be refunded?

A:

Unused seats are generally non-refundable.

Q35. How do I reduce seats?

A:

Seat reductions can be scheduled for the next billing cycle.

Support Ticket FAQs

Q36. How do I create a support ticket?

A:

Navigate to Support Center and click Create Ticket.

Q37. How do I check ticket status?

-

Q40. How do I update a ticket?

A:

Open the ticket and add a new comment or update.

Q41. Can I reopen a resolved ticket?

A:

Yes. Resolved tickets may be reopened within the allowed period.

Q42. How do I attach files to a ticket?

A:

Attachments can be uploaded while creating or updating a ticket.

Q43. What information should I include in a ticket?

A:

Include:

- Problem description
 - Error messages
 - Screenshots
 - Relevant account details
-

Security FAQs

Q44. Is my data encrypted?

A:

Yes. Data is encrypted both in transit and at rest.

Q45. Does Nexus Support AI support MFA?

A:

Yes. Multi-factor authentication is supported.

Q46. How do I enable MFA?

A:

Navigate to Security Settings and enable Multi-Factor Authentication.

Q47. What happens if I lose access to MFA?

A:

Use backup recovery methods or contact support.

Q48. Are audit logs available?

A:

Yes. Audit logs are available for supported plans.

Enterprise FAQs

Q49. What benefits do Enterprise customers receive?

A:

Enterprise customers receive:

- Dedicated support
 - Custom SLAs
 - Priority ticket handling
 - Account management
-

Q50. Can Enterprise customers negotiate contracts?

A:

Yes. Enterprise agreements can include custom terms.

Q51. Do Enterprise customers get faster support?

A:

Yes. Enterprise customers may receive enhanced response times.

Refund FAQs

Q52. How do I request a refund?

A:

Submit a refund request through Billing Support.

Q53. How long do refunds take?

A:

Approved refunds are typically processed within 5–10 business days.

Q54. Can I request a refund after 30 days?

A:

Refund requests submitted after 30 days are generally not eligible.

Q55. Can partial refunds be issued?

A:

Partial refunds may be reviewed on a case-by-case basis.

Cancellation FAQs

Q56. How do I cancel my subscription?

A:

Navigate to Billing → Subscription → Cancel Subscription.

Q57. Does cancellation happen immediately?

A:

No. Cancellation becomes effective at the end of the current billing cycle.

Q58. Will I lose access immediately after cancellation?

A:

No. Access remains available until the current billing period ends.

Q59. Can I reactivate a cancelled subscription?

A:

Yes. Contact support or reactivate through Subscription Settings.

Q60. What happens to my data after cancellation?

A:

Data enters the retention period according to company policy.
